5) The idea originally was to obtain a loan of Rs.6,000/- from the Government as mentioned in - Trust Board's letter to the Development Secretary dated the 11/13th December 1934. According to the Government Order dated 14-2-1936, the loan is directed to be advanced to the Chattram Committee from the balance at the credit of the Chattram Savings Fund. This Fund is presumably under the control of the Chattram Committee. If this is so, it is a not a question of lending and borrowing, but a question of incurring the expenditure in question from out of the Chattram Funds for which a formal Resolution of the

the Chattram Committee would do. It is thus, difficult to make out who the lenders and borrowers are. The above points may kindly be considered and the file returned to me with the necessary information for preparing the required draft.

As explained in the margin on the last page, the Chattram Committee spoken of is the Nanjarajan Bahadur Chattram Committee but the Chattram Savings Fund referred to has nothing to do this with this Committee. This fund formed out of the savings effected by the abolition of annachattrams in the State and this fund is solely under the control of the Rev Dept - The lender is therefore the Govt and the borrower is the N. B. Chattram Committee.
